

RUTLAND SAILING CLUB

Try a Kinsman, Yeoman or Squib Keelboat at Rutland Sailing Club

Saturday and Sunday 19th & 20th August

You and members of your family are invited to join us at Rutland Sailing Club and come out sailing with us on one of our Fleet of Kinsman or Yeoman Keelboats.

The Kinsman has a lifting keel and is very easy to launch and retrieve whilst the Yeoman and Squib have fixed keels. They are ideal for families to cruise, or to race for the more experienced. They can easily be trailed behind the average family car. Our fleet are a very friendly bunch always able to give help and advice.

Our "Try a Keelboat Days" are on Saturday and Sunday 19 & 20 August.

Contact the Rutland Sailing Club Office to reserve a place
